

15th European Workshop on Thermal and ECLS Software

9 - 10 October 2001, ESA ESTEC, Noordwijk

WELCOME & INTRODUCTION

Olivier PIN
Thermal and Structures Division
ESA ESTEC

ESTEC
Thermal and Structures Division

Workshop objectives

- To promote the exchange of views and experiences amongst the users of the Agency's (and others) software packages in the fields of thermal control and ECLS
- To provide a forum for contact between end users and software developers
- To present new versions of the software tools and to solicit feedback for development

ESA team

Charles Stroom	Head of the Analysis & Verification Section
Duncan Gibson	Software Support & Workshop Secretary
Hans Peter de Koning	Topic, Artifis, ESARAD & Model Data Exchange
Olivier Pin	ESATAN, FHTS, ThermXL & EcosimPro

ALSTOM team

Frédéric du Laurens	Support Manager
Henri Brouquet	ESATAN/FHTS and User Support

Programme

- Mornings - Presentations on the use of thermal analysis tools and methodologies (with 5-10 mins discussion at the end of each presentation).
- Afternoons - Interactive demonstrations of 45 / 90 minutes.
- 17:15 today - ESA Round-Table discussion (Hans Peter de Koning). Topics have been chosen according to your questionnaire answers.
- Discussion on major feature requests for ESARAD and ESATAN/FHTS will be covered tomorrow afternoon by ALSTOM.
- PCs are available at the back of the room to try the software ESARAD, ESATAN, ThermXL, ThermPlot and EcosimPro

Practical Information

- Presenters: Please leave your presentation (floppy or CD-ROM with Powerpoint file) with D. Gibson or O. Pin before end of Workshop. Please leave a paper copy if possible to avoid problems with embedded fonts/logo's or Mac.
- Workshop Minutes (for morning sessions and round-table discussion) will be supplied to participants on the Web.

Practical Information

- Lunch: 13:00 - 14:00. The “foyer” tables are reserved for us
- Cocktail today at 18:00 outside the Workshop room
- Restaurant booked today for 20:00 (maps available). Please let us know by 14.00 if you need a lift to the restaurant
- Fax (+31-71-565-5949) and telephone available outside the Workshop room
- Check your details on the list of participants and inform the Conference Bureau of any modifications.

- The 32st International Conference on Environmental Systems will be held 15-18 July 2002 in San Antonio, Texas
- Deadline for submitting abstracts: 19 October 2001
- Thermal software related abstracts to be sent to: Charles Stroom - Charles.Stroom@esa.int
