

Appendix A

Welcome and Introduction

Harrie Rooijackers
(ESA/ESTEC, The Netherlands)

20th European Workshop on Thermal and ECLS Software

4-5 October 2006, ESA ESTEC, Noordwijk

WELCOME & INTRODUCTION
Harrie Rooijackers
Thermal and Structures Division
Thermal Analysis and Verification Section
ESA ESTEC

Workshop objectives

- To promote the exchange of views and experiences amongst the users of European thermal/ECLS engineering analysis tools and related methodologies
- To provide a forum for contact between end users and software developers
- To present (new versions of) thermal/ECLS engineering analysis tools and to solicit feedback for development
- To present new methodologies, standardisation activities, etc.
